## Frank Wyso: Coal Miners of Northeast Pennsylvania

[ 5 / 12 ]

Nov 23 2005 - Feb 19 2006 : SIEGEL GALLERY, Iacocca Hall

### "Frank Wyso: Coal Miners of Northeast Pennsylvania"

Frank 'Wyso' Wysochansky was a man driven to tell the story of Pennsylvania coal miners. Using pen, ink, watercolor, oil, crayon, and sculptural forms, he captured the life of the coal miner by documenting the tools and working conditions of the anthracite coal mines of northeastern Pennsylvania, as well as the simple life and modest means of the miners' families.
